Prayer Focus

Local – Leadership Team

Let the team be sensitive to Your guidance as we take decisions to minister the Gospel in its fulness to the people of our community.

Regional – CWA

May Canterbury Westland Association be ensuring that the grace of the message is fulfilling the lives of those within this region.

National – Child & Family Ministries

Give hope to our nation, as the words of Your standard get established within the perfect society plan.

Bible Society - Jordan

In this Middle East nation of 10.5 million people, let the Word of peace minister into the lives of many. Give wisdom, grace and protection for the staff.

John 16:33

Mission – FEBC – Leprosy Mission

Let the words broadcast in *First Response Radio*, be the means of saving many lives as information is conveyed into panic stricken situations. Let Your wisdom be deployed to the right people at the right time.

As the work in PNG is carried out, let the people of this nation see Your hand moving in the new government that will come from the elections. Let justice reign.

Israel

As the nation prepares for another election, give the people an insight into why there has been failure previously. Let them be willing to submit to Your will and Your way.
